

Award winners by company

There are 40 PFI Awards in total and each of these Awards will be presented on stage at the 2021 PFI Awards Dinner. For Deal Awards, a representative from each company named on that deal may come to the stage to collect the Award, along with representatives of the other companies on that deal.

A trophy will be presented on stage for each of the Global Awards. A certificate will be presented on stage for each of the Regional Awards. Where multiple companies are listed on an Award, certificates for each company involved will be available to collect, off-stage, after the ceremony on the night.
